

MORE ON MEMBERSHIP AT THE SQUARE

As a Member of The Square, you will be part of a unique and dynamic environment, filled with like-minded creative professionals. As well as providing an arena of original thought and discussion, The Square is equipped with a boutique lounge, award-winning restaurant The Square Kitchen, our Lower Deck cocktail bar, and the Terrace, so we can cater to your every need.

If you're after a peaceful workspace in central Bristol – be it to hold meetings, to network, or simply to tackle your own to-do list – we can guarantee a home-from-home office, complete with complimentary tea, coffee and WIFI throughout. Similarly, if you need to hold a larger business event, venue hire is free for members.

However, our focus goes far beyond workspace: our Members also enjoy complimentary hire of our versatile venue spaces for private parties (with the exception of weddings). With in-house event planners on hand, we delight in delivering sparkling events for our Members and their guests. What's more, we have an exciting quarterly programme of live entertainments in place, including talks, music, poetry and a few surprises – such as our Valentines Ball and New Year's Party (for which members can purchase priority tickets). We issue our Members an ongoing and open invitation to all of our live events, and a warm welcome is always guaranteed.

We're also well aware of our coveted location just off the Clifton Triangle, and do our utmost to ensure our Members benefit from its convenience. If you're holding meetings, there's no need to dash out for sandwiches or drawn-out client lunches: our Members receive 20% off all food at The Square Kitchen – and if you fancy a quiet candlelit dinner here on the Berkeley Square, the same benefit applies. What's more, if Members have guests in Bristol, they can book a room in our neighbouring Berkeley Square Hotel at a significant discount (10% off their lowest available room rates) – the perfect way to capitalise on our prime location and the surrounding neighbourhood of elegant Georgian townhouses.

We're delighted to be a part of thriving, beautiful Clifton, and know that our Members feel the same. When out and about beyond The Square, Members can also enjoy numerous local discounts, including gym membership, grooming and wine (further details on application) – we ensure our Members are looked after even when they're not visiting the Club.
