Events

Membership Duration & Billing:

We require our events and wedding members to take out a year's membership at The Square: this means that a full year's payments must be made, regardless of when your event falls within that year.

We cannot license the venue for weddings to people who are not members.

Events and wedding members will enjoy all benefits that standard club members enjoy for the duration of their membership.

We do not issue a 1-year renewal reminder notice once the year's membership has passed. If you wish to continue your membership after this point, you do not need to do anything; however if you wish to terminate your membership, please contact us accordingly.

To terminate your year's event membership, please inform us with at least one month's notice prior to your renewal date.

Reciprocally, venue hire is complimentary to full members.

We are not able to issue refunds to members who have requested to cancel with an insufficient notice period, or after a payment has been made.

Membership Payments:

You will be billed quarterly via Paypal for your agreed membership subscription amount (see application form)

Please note we are unable to alter payments, terminate payments or reinstate terminated payments via our Paypal account.

We do not issue reminders for when your next bill will be taken, as this is an automatic subscription service provided by PayPal.

If you change your billing details, it is your responsibility to update your Paypal account accordingly.

If a payment is missed, we will contact you to follow this up.

If you miss more than two payments, we will contact you and reserve the right to cancel your membership if we do not hear back from you within a week, or if you do not pay the outstanding amount in full.
