

MEMBERSHIP AT THE SQUARE

As a Member of The Square, you will be part of a unique and dynamic environment, filled with like-minded creative professionals. As well as providing an arena of original thought and discussion, The Square is equipped with a boutique lounge, award-winning restaurant The Square Kitchen, our Lower Deck cocktail bar, and the Terrace, so we can cater to your every need.

Members are welcome to bring up to three guests with them to the club at any time, and more by prior arrangement.

Workspace

If you're after a peaceful workspace in central Bristol – be it to hold meetings, to network, or simply to tackle your own to-do list – we can guarantee a home-from-home office, complete with complimentary WIFI and 50% off hot drink. Similarly, if you need to hold a larger business event, venue hire is free for members.

Venue Hire and Private Events

Our Members enjoy complimentary hire of our versatile venue spaces for private parties and meals. With in-house event planners on hand, we delight in delivering sparkling events for our Members and their guests.

Members' Events

We have an exciting quarterly programme of live entertainments in place, including talks, music, poetry and many more surprises – such as our Valentines Ball and New Year's Party (for which members can purchase priority tickets). Wherever possible, members receive complimentary tickets to events, such as our monthly members' lunches and wine tasting evenings. We issue our Members an ongoing and open invitation to all of our live events, and a warm welcome is always guaranteed.

Restaurant

We're well aware of our coveted location just off the Clifton Triangle, and do our utmost to ensure our Members benefit from its convenience. If you're holding meetings, there's no need to dash out for sandwiches or drawn-out client lunches: our Members receive 20% off all food at The Square Kitchen – and if you fancy a quiet candlelit dinner here on the Berkeley Square, the same benefit applies.

Hotel

If Members have guests in Bristol, they can book a room in our neighbouring Berkeley Square Hotel at a significant discount (10% off their lowest available room rates) – the perfect way to capitalise on our prime location and the surrounding neighbourhood of elegant Georgian Townhouses.

Square Works

Members have the option to upgrade their membership to include a business address package and phone answering service, courtesy of Square Works, our collaborative workspace next door. Members also get preferential rates on meeting room hire at Square Works, along with priority access to hot-desks fixed desk and office space at Square Works.
